Wellbrook Place

Wellbrook Place is two new state-of-the-art long-term care (LTC) homes and community hub at **2180 Speakman Drive in Mississauga**. Operated by Partners Community Health (PCH), the new homes will have a combined 632-beds and be part of PCH's larger strategy that will introduce innovative and inclusive programs and services and new models of care delivery.

Services and Features

- Specialized programming and clinical services
- Social model of care
- Rehabilitation and restorative care
- Dietetic services (assessment, nutrition, counselling and monitoring)
- Recreational activities and group exercise programs
- Virtual LTC hub to connect the homes' primary care model to hospital specialists
- Technology to enhance the resident care experience
- Plans for community services and programming

The Homes will include features that support the care and comfort of all residents, including:

- 632 bedrooms: **Private rooms** include private bedroom and bathrooms, and an exterior view of the building. Basic rooms have private bedrooms, a shared washroom (accessible from inside both rooms) and a view of an interior courtyard.
- Common spaces, amenities, a salon, a café, spiritual care services, central therapy, and administrative offices
- Four internal gardens and a main courtyard
- Food prepared on site and in serveries on each floor, for a more home-like experience
- Modern infection prevention & control measures
- Air conditioning throughout

 **Wellbrook Place East**
320 Beds

 **Wellbrook Place West**
312 Beds

About Partners Community Health

Partners Community Health is a not-for-profit, charitable organization focused on bringing healthcare services together around the needs of people living in Mississauga and West Toronto.

Vision

To honour lives and choices and deliver seamless care.

Mission

We are committed to building strong system partnerships and connections that put people first, a learning and leading healthcare community and best in class service across the aging continuum.
